

President's message

Well term 2 continued to impress! I want to thank all of our TJPS families for their contributions to the events we have held recently. More on those below.

I would again like to extend an invitation to school families to become involved in our school's P&C. I know I speak on behalf of our team when I say, we do this because we really believe how important community is. Being a member of the wider P&C Association means you get a real say in the decisions that shape our school community. Whether it's choosing what projects we take on, how we spend our funds, or what priorities we focus on – your voice matters. The more members we have actively involved, the stronger and more representative our P&C becomes.

The way those decisions are turned into reality is via the P&C Executive Committee. Our job, on the committee, is to carry out the decisions of the members. We can't make things happen unless our community is onboard! We are appreciative of the new families who have stepped up to help this year, and we look forward to continuing develop a strong presence within our school.

Looking forward, so many great events are in planning stage. Thank you to the event & project leaders and exec committee who are giving up countless hours for planning and execution of these events.

Kylie

Family Movie Night at Event Cinema

We had a great night at the movies, with a strong turn out for both films on offer. Feedback was that it was a huge success. The movies were incredibly popular!

Massive thank you to all the volunteers who helped make this event amazing and to Rebecca D for planning all of this event. We can proudly report that the students behaviour was fabulous and that they represented TJPS in a glowing manner!

Beanies for Brain Cancer

TJPS you look good on TV! Here are some photos from our big beanie morning. A huge thank you to everyone who came along bright and early to support our Mark Hughes Foundation Beanies for Brain Cancer fundraiser. And to be part of our big moment on the Today Show!

At this stage, we look to have raised over \$3,000 – combining online donations, gold coins and BBQ profits! Not to mention that we sold almost 200 Beanies at our school alone! It was a fantastic morning. Thank you to Coles at The Junction for donating a gift card towards BBQ supplies.

Your energy, smiles, and school spirit made the morning truly special. From the many many beanies to the gold coin donations, bacon & egg rolls, coffees and waves to the camera – you helped us shine a light on an important cause.

This one is set to be a showstopper with lots of fun & prizes. We wanted to make this one just for the parents, so please note this is an 18+ event. You may also invite non-TJPS parents & friends along to join your table. Tickets available NOW on Flexischools. Get in quick, numbers are strictly limited!

RAFFLE: We will be holding a mega raffle! And we are looking for prize donations. If you or your business can contribute something big or small—vouchers, goodies, experiences—we'd love your support. It's a great way to promote your business and help raise funds for our school community. Please get in touch with Jes on **vp@junctionpandc.org** if you can help! Thank you!

TJPS P&C PROUDLY PRESENTS
OUR MAJOR FUNDRAISER FOR 2025

Uniform Shop Update

The Uniform Shop will be open on the school development day, Monday 21 July from 8:30am – 9:30am. Students return to school on the Tuesday.

Important: For online orders, please enter your CHILD'S NAME and CLASS in the "Note To Seller" so we can deliver your order to their classroom.

Thank you and have wonderful break!

The Uniform Shop Team

How is the P&C investing funds raised back into the school?

Multisports Facility Update – This is our most significant project. It will be a major asset for the school, and there is a lot of involvement from the Department. We are currently undergoing a REF to consider all factors of this project and hope to be able to report back very soon.

School sporting equipment upgrade – The P&C will fund a refresh of equipment from the sports store. All students will benefit from this new equipment which is used daily in sports & PE lessons.

IT & STEAM Items – The P&C will continue to support the development of the school STEAM Hub. We hope to show off some exciting new purchases very soon.

The P&C continues to discuss with the school how we can support our students.

If you wish to know more, or would like to share your ideas, please feel free to attend our next meeting. We hold regular meetings on Tuesdays in Week 3 and Week 8 of term. Everyone welcome.

P&C website

If you're looking for details about any P&C events, meetings or links, remember we have our own website. Check out what we have coming up, our reach out to get involved.
