KINDER TO YEAR 5 MUSICA VIVA : RHYTHM WORKS 2022

Tuesday 13 September 2022 (Please note: Year 6 will be in Canberra on this performance date)

Dear Parents

Musica Viva has been inspiring students throughout Australia for thirty years. Over thirty groups from all genres of music tour to over 1,000 schools each year. This year there will be a performance at school by: Rhythm Works. The cost for this performance is \$10 per student. Rhythm Works are a dynamic percussion duo who show students how to create visual images through music – with lizards, waterfalls, road trains, and carnivals. In this high energy show, students are introduced to a range of instruments from African djembes, marimbas, electronic loop machines, Boomwhackers, and wearable instruments made out of PVC pipe! Students are given the chance to perform on these instruments to create their own musical imagery, with opportunities to re-create the experience back in the classroom or at home.

"The children were very engaged with musicians and thoroughly enjoyed the interaction activities."

— Elizabeth Mitchell, Mullion Creek Public School

This performance on Tuesday 13 September is part of our school's learning program and builds on preparatory work done in the classroom.
