YEAR 6 CANBERRA EXCURSION 2022 - EOI

Dear Parents/Caregiver

Throughout Terms 1 and 2, students in Year 6 study the history of Federation and the establishment of our Australian Government. This study is part of our History unit 'Australia as a Nation.' To initiate their learning in this area, students will participate in a four day excursion to Canberra.

The dates (which aren't 100% confirmed yet) for our excursion at this stage are **Monday 12th September to Friday 16th September (Week 9, Term 3)**. It will only be a 4-day excursion, either Mon-Thurs or Tues-Fri. Port Stephens Coaches are still trying to secure us the best itinerary before locking this in.

During this excursion, students will experience hands on activities and tours in our National Capital including Parliament House, Australian War Memorial, Australian Institute of Sport, CSIRO, the Royal Australian Mint, National Capital Exhibition, Gallery of Australia, National Museum of Australia, Questacon, Telstra Tower and the High Court. This is a wonderful experience for Year 6 academically and for building leadership and teamwork skills for their future.

The cost will be approximately \$455.00. Please do not pay this full amount until numbers are established and we get an accurate costing. This amount can be paid off in smaller installments at the discretion of each individual family (i.e. \$20/wk). If there are any Parents/Carers who may have difficulty in paying this amount, please feel free to contact Mrs Larkman (Principal) to arrange financial support.

Please complete the form below and include the initial deposit of **\$50.00 only**. This amount can be paid online through the "Make a Payment" option on the school website, through the Westpac gateway on the Skoolbag app, cash in a sealed envelope or in person at the counter in the front office.

PLEASE NOTE: WE ARE NOW UNABLE TO ACCEPT WRITTEN CREDIT CARD DETAILS FROM PARENTS.

This deposit is required by **Friday 8th April 2022**. The final balance of payment will be required by **Friday 9th September**. This is a wonderful excursion, thoroughly enjoyed by all students.

Regards,
