22 March 2022

Dear Parents/Caregivers,

A local area excursion has been planned for Year 1 students to supplement their integrated unit 'Water in our World' on Tuesday 5 April, 2022. Students will travel by bus from school at 11:30am and be dropped outside the Hunter Water building on Honeysuckle Drive. Students will then walk back to school alongside areas of the stormwater drain that connect back to the school drain system.

The children will take their lunch and water bottle only with them. It would be greatly appreciated if their lunch could be packed in a separate paper bag that can be disposed of after they've eaten their lunch. This minimises what they need to carry.

Please ensure that students bring their hat to school.

Please retain this page for your reference.
